

Live! Projects

Support IT provides a complete IT Project portfolio under one roof. Our in house team of experts can provide you with a solution to any IT project you are planning.

With a fixed price and timescale for each project, we will leave you feeling relaxed without any worry of an unexpected cost and guarantee a successful project delivery.

IT support is not just about fixing problems, it's also about working with our clients towards a goal of seamless integration between man and machine. With our daily auditing and pro active monitoring of your network this does not only help us to make recommendations, but also keep you informed of the status of your equipment to aid financial budgeting and planning. Existing customers which have taken out our Live! Support package benefit from a special preferential rate on Live! Projects. To find out what Support IT can do for your business, contact us using our online form or call us today on 0845 680 0210 to book your FREE Problem Prevention IT Audit Worth £295 Pounds!
